GENERAL DENTAL TREATMENT CONSENT

PLEASE READ AND INITIAL BELOW

It is very important to provide your dentist with accurate information before, during, and after treatment. It is equally important to follow your dentist's advice and recommendations regarding medications, pre- and post-treatment instructions, referrals to other dentists or specialists, and to return for scheduled appointments. If you fail to follow the advice of your dentist, you may increase the chances of a poor outcome. Noncompliant patients may be dismissed from the practice.
